Consolidated Community Credit Union
Health and Welfare Plans
2026 Annual Notices

The notices contained in this document share important rights regarding the Consolidated Community Credit Union Health & Welfare Plans (the Plan) as required by law. These notices are sent on an annual basis. Please contact Kate Montgomery, Human Resources, with any questions.

Health Insurance Portability and Accountability Act of 1996 (HIPAA) and Health Information Technology for Economic and Clinical Health (HITECH) Act of 2009

Keeping your personal health information private is your right. That's why the U.S. government passed the "Privacy and Security Rule" which is part of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and later the Health Information Technology for Economic and Clinical Health (HITECH) Act. The Privacy Rule protects your health information and makes it illegal for health care providers to reveal information about your health without your permission unless needed to treat your condition. It also prevents the improper use of health information by health care benefit insurers and administrators. Doctors' offices and health care facilities are required by law to obtain your written permission to appropriately reveal information about your health. The Security rule protects the integrity of your health information through technical and administrative safeguards. The Plan maintains a Notice of Privacy Practices and Privacy Policy as well as a Security Policy related to its Health and Welfare Plans. For a copy of such documents, please contact Kate Montgomery.

The Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act (WHCRA) provides protections for individuals who elect breast reconstruction after a mastectomy. Under WHCRA, group health plans offering mastectomy coverage must also provide coverage for certain services relating to the mastectomy, in a manner determined in consultation with the attending physician and the patient. Required coverage includes all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses, and treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this Plan. If you would like more information on WHCRA benefits, please contact Kate Montgomery.

Michelle's Law

Michelle's law requires that all full-time students, defined as "dependents" in the Plan, may take a medical leave of absence from their educational institution for up to one calendar year (limited by the remaining eligibility under this Plan as defined in 29 U.S.C. 1185c(b)(1)(A) or (B)), and may maintain eligibility under this plan notwithstanding anything to the contrary.

Qualified Medical Child Support Order

To the extent required under applicable laws and with respect to component benefit plans that are group health plans, the Plan will also provide benefits as required by any qualified medical child support order, or "QMCSO," and will provide benefits to dependent children placed with participants or beneficiaries for adoption under the same terms and conditions as apply in the case

of dependent children who are natural children of participants or beneficiaries. The Plan has detailed procedures for determining whether an order qualifies as a QMCSO. Participants and beneficiaries can obtain, without charge, a copy of such procedures from Kate Montgomery.

Uniformed Services Employment and Reemployment Rights Act (USERRA)
Coverage will terminate if a subscriber is called to active duty by any of the armed forces of the United States of America. However, if a subscriber requests to continue coverage under USERRA, coverage can be continued for up to 24 months or the period of uniformed service leave, whichever is shortest, if the subscriber pays any required contributions toward the cost of the coverage during the leave. If the leave is 30 days or less, the contribution rate will be the same as for active employees. If the leave is longer than 30 days, the required contribution will not exceed 102% of the cost of coverage.

If a subscriber does not elect continuation coverage under USERRA or if continuation coverage is terminated or exhausted, coverage will be reinstated on the first day he or she returns to active employment with the Employer if released under honorable conditions, but only if he or she returns to active employment:

- On the first full business day following completion of his or her military service for a leave of 30 days or less;
- Within 14 days of completing military service for a leave of 31 to 180 days; or
- Within 90 days of completing military service for a leave of more than 180 days.
- Regardless of the length of the leave, a reasonable amount of travel time or recovery time for an illness or injury determined by the Veteran's Administration (VA) to be service connected will be allowed.

When coverage under the Plan is reinstated, all Plan provisions and limitations will apply to the extent that they would have applied if the subscriber had not taken military leave and coverage had been continuous under the Plan. There will be no additional eligibility waiting period and the pre-existing condition limitation, if any, will be credited as if the subscriber had been continuously covered under the Plan from the original effective date. (This waiver of limitations does not provide coverage for any illness or injury caused or aggravated by military service, as determined by the VA. Complete information regarding rights under USERRA is available from the Employer.)

Statement of Rights Under the Newborns' and Mothers' Health Protection Act
Under Federal Law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or her newborn earlier.

Also, under Federal law, the Plan and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, the Plan or issuer may not, under Federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification.

For information on precertification, contact your health insurance plan.

Genetic Information Nondiscrimination Act

In no event shall the Employer make any premium adjustments or adjustments to contributions under any component program based on genetic information; request or require genetic testing; or request, require or purchase genetic information for underwriting purposes.

Important Notice from Consolidated Community Credit Union About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Consolidated Community Credit Union and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. **Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**

2. **Consolidated Community Credit Union has determined that the prescription drug coverage offered by Consolidated Community Credit Union is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Consolidated Community Credit Union coverage will not be affected. Please see your current plan design for a description of current coverage.

If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Consolidated Community Credit Union and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage…

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Consolidated Community Credit Union changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%[1] of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.[1,2]

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

---

[1] Indexed annually; see https://www.irs.gov/pub/irs-drop/rp-22-34.pdf for 2023.

[2] An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services **is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/ for more details.

How Can I Get More Information?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact **Kate Montgomery at humanresources@consolidatedccu.com.**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Consolidated Community Credit Union		4. Employer Identification Number (EIN) 93-0460086
5. Employer address 1033 NE 6th Ave		6. Employer phone number 503-797-7597
7. City Portland	8. State OR	9. ZIP code 97232
10. Who can we contact about employee health coverage at this job? Kate Montgomery		
11. Phone number (if different from above)	12. Email address humanresources@consolidatedccu.com	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☐ All employees. Eligible employees are:

☒ Some employees. Eligible employees are:

Full Time Employees who work at least 30 hours/week or more, first of the month coinciding with or following date of hire

- With respect to dependents:

☒ We do offer coverage. Eligible dependents are:

Spouse, Domestic Partner, and children up to age 26

☐ We do not offer coverage.

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.

13. **Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?**

☐ **Yes** (Continue)
13a. If the employee is not eligible today, including as a result of a waiting or probationary period, when is the employee eligible for coverage?_____ (mm/dd/yyyy) (Continue)
☐ **No** (STOP and return this form to employee)

14. Does the employer offer a health plan that meets the minimum value standard*?
☐ Yes (Go to question 15) ☐ No (STOP and return form to employee)

15. For the lowest-cost plan that meets the minimum value standard* **offered only to the employee** (don't include family plans): If the employer has wellness programs, provide the premium that the employee would pay if he/ she received the maximum discount for any tobacco cessation programs, and didn't receive any other discounts based on wellness programs.
a. How much would the employee have to pay in premiums for this plan? $_____
b. How often? ☐ Weekly ☐ Every 2 weeks ☐ Twice a month ☐ Monthly ☐ Quarterly ☐ Yearly

If the plan year will end soon and you know that the health plans offered will change, go to question 16. If you don't know, STOP and return form to employee.

16. What change will the employer make for the new plan year?_____
☐ Employer won't offer health coverage
☐ Employer will start offering health coverage to employees or change the premium for the lowest-cost plan available only to the employee that meets the minimum value standard.* (Premium should reflect the discount for wellness programs. See question 15.)
a. How much would the employee have to pay in premiums for this plan? $_____
b. How often? ☐ Weekly ☐ Every 2 weeks ☐ Twice a month ☐ Monthly ☐ Quarterly ☐ Yearly

• An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2026. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.
