- One regular exam, and
- Total dental claims for preventive, basic and major covered procedures paid during the year below the threshold limit.
- If all three criteria above are met, a portion of the annual maximum will carry over to the next year.

Other Specifications:

- Each covered family member receives their own carryover benefit.
- Group carryover benefit rider must be in effect for one benefit year before any members can utilize carryover benefits.
- A member must be on the plan for a minimum of three months before accruing carryover benefits.
- Carryover benefit may be used toward preventive, basic and major covered services only
- A member's carryover account will be eliminated, and the accrued carryover benefits lost if the insured has a break in coverage for any length of time or any reason.
